Once the flowers are out of preservation, we notify you and help you with your product choice. We love hearing your ideas and are always on hand to assist.

Preserved Forever creates beautiful products with your sentimental flowers and other keepsake items. We are a small family run, creative bespoke service which is unique. Below is a little information about how we work and what to expect!

After the event, our customers are usually happy to post their items/flowers or deliver them direct to us. We can also arrange for a courier to collect. The ideal time to get flowers to us is usually around **1 - 4 working days** after the event.

We have to dismantle full bouquets and place each flower into preservation individually. This process takes approx **4 - 6 weeks**.

Once you have chosen your beautiful keepsake product, please allow around **3-5 months** completion time.

To book, or if you require any more information about our services, products and prices, then we would love to hear from you! Please call us on **01527 64697** or **info@preservedforever.co.uk**
